RE: *United States v. Robert Rang*, Docket No. 15-cr-10037-IT

Dear Attorney Tobin:

I am writing to request chain of custody evidence for the electronic devices obtained from the minor complainant by law enforcement during the investigation of the alleged incidents underlying the above-numbered Indictment. Specifically, Mr. Rang seeks chain of custody evidence for:

- (1) Ipod bearing serial number 9C843ZCY201; and
- (2) Sony Playstation bearing serial number CH062809801-CECH-2501A

If you have any questions, please contact me by telephone. Thank you in advance for your anticipated prompt attention and response to these requests.

Sincerely,

Eric Tennen

cc: Robert Rang

Thank you for this. In looking through the chain of custody document, it is just an e-mail from Agent Connolly to you. I was seeking the actual, internal chain of custody document that most labs have. What you sent tracks the chain of custody from other documents you have provided. So can you confirm if there is an actual document that tracks the chain of custody? If so, I would like that. If not, then I would just like to know.

Also, I would like the same information, chain of custody, for the new discovery you provided re: Rang's sony playstations.

Thank you.
